

Advanced Artificial Eyes

18455 Burbank Blvd. Suite 202, Tarzana CA 91356

Privacy Protection

This office collects information from you so we may provide prosthetic eye services to you.

We will protect and not divulge this information except as necessary.

It may be necessary to use the information to conduct business with insurance companies, medical groups, doctors, hospitals, etc...

We may use or disclose information to provide you with appointment reminders (such as voicemail messages, letters, email, etc...)

I have read and understand the above.
